

# Who We Are

Mercatus is dedicated to driving digital transformation in grocery retail with our comprehensive suite of connected commerce and personalization solutions. We are particularly focused on enhancing shopper engagement, tailoring digital experiences to individual preferences, and fostering lasting loyalty across retail businesses of all sizes. Our mission is to empower retailers to captivate customers, increase sales, drive retention, and strengthen in-store and online loyalty. Through our innovative solutions, we assist retailers in streamlining operations and enhancing customer experiences, all with the aim of achieving significant omnichannel growth. Join us in creating a unified, enterprise-grade SaaS platform to unlock the full potential of the grocery retail experience.
